## Cedar Park Youth Leadership Academy

Andrea Kornegay  
Vice President

The Cedar Park Chamber of Commerce Foundation was thrilled to host the retreat for our Cedar Park Youth Leadership Academy Presented by Han-yang last month. This class consists of 20 LISD High School Juniors and Seniors

from all 6 of the schools in our district. They met at The Crossover for a day of learning how to become healthy leaders, getting to know their classmates, and ice skating. This marked the beginning of their 9-month journey that we hope will be their "Launchpad to Leadership". They will get to hear from our city leaders,

and tour the various businesses we have here in Cedar Park and the surrounding areas. Exposing these students to the numerous careers and opportunities our members offer will hopefully help in building our city's future workforce. We are grateful to our LISD Partners, and especially to Sarah Spradling who is the Assistant Director for CTE Work-Based Learning whose mission directly aligns with ours.

College is always a great option, but it's not for everyone and our goal is to equip the students with the necessary skills, knowledge and confidence to jump into the workforce after graduating and be able to earn a great living. We want to thank our community for all the support they've offered and the impact they will have on each of these students, as the Chamber Foundation could not do this alone.
